Today, Natasha "Sasha" Obama, born June 10, 2001 in Chicago, celebrates her 11th birthday. We hear the cherub-faced cutie celebrated her birthday in style with mom, First Lady Michelle Obama, and sis Malia, at a Red Robin restaurant in Dulles, Virginia.

According to US Weekly, Sasha invited a group of friends from school for a fun afternoon of cheeseburgers and

milkshakes. A source tells the mag the First Lady "left a generous tip for the server and tapped management on the shoulder to let them know 'everything was wonderful and the girls had a great time.'"

Join us in wishing the President and First Lady's beautiful little girl a wonderful birthday, and see how Sasha has grown up right in front of our eyes.
